FINANCIAL POLICY:

At Cannon Park Dental, our first priority is providing quality dental care for our patients. As healthcare delivery continues to change for providers and patients alike, the importance of developing and maintaining sound financial policies is as vital to our practice as any industry and/or household. While we strive to work with our patients in maintaining costs of care, we must also expect patients to assist us by keeping their accounts current.

Your insurance coverage is an agreement between you and your insurance company. While we file claims for all services it is important that patients remain involved in resolving any non-payment issues quickly. We treat you based on your needs, not what the insurance company dictates, and expect you to be responsible for understanding your coverage and for payment of any charges that may be denied by your insurance company.

Please be familiar with your insurance policy copayment requirements: Copayments and unpaid balances will be collected when you **check-in** for your appointment. Inability to pay the copayment or balance at time of check-in will result in rescheduling of your appointment (and applicable late cancellation charges).

Late cancellation / No show fee: A fee of \$50 (minimum) or 10% of the value of that day's service, whichever the higher amount, will be assessed for any appointment cancelled with less than **24 hour** notice (or inability to pay at time of appointment, as stated above). This fee will be collected prior to scheduling another appointment.

Pre-payment / Cash discount: Ask Linda or Zara about our pre-payment cash/check discount.
